

Mission Statement:

Champions Kids Camp is dedicated to the nurturing of children who have survived a traumatic injury, illness, or personal loss, such as the loss of a parent or sibling.

Through a week-long camp, children between the ages of 8 and 12 are able to heal from the "emotional scarring" they have experienced in their young lives.

The main objective at camp is to help instill a sense of pride in every child and let them know that they're not victims, they're survivors, and therefore, Champions!

Champions Kids Camp is a non-profit organization that was created in the summer of 2001.
